

Liv for Secretary

I am Liv!

I am a first-year student studying Geography BSc.

I have done Taekwondo for 5 years and got my blackbelt last year.

I am organised and efficient, which would allow me to stay on top of any emails and keep track of memberships

I am great at communication and very understanding, so I can solve any queries and emails I get.

I want to help keep the club running smoothly and encourage more people to try out taekwondo
