MARIA

MA Advertising & Design

POST CARD

Interests:
graphic design,
drawing & painting

I'm a big sports fan!

Favorite Fantasy
Book Trilogy:

The liveship Traders
by Robin Hobb

My top three
films:

Good Will Hunting
Atonement
Little Women

I have experience with still life and I would love to bring my creative background and ideas to the society.

I'm confident in taking initiative and would enjoy helping create interesting still life compositions, organising socials and coming up with fun activities for members.

Most importantly, I'd love to help make the society a welcoming and creative space for everyone.
