

Nadine 4 Marrow Sec

About me

- ♥ I'm a first year FBS student studying genetics!
- ♥ I'm an international student from Jordan and a member of the FBS Global Community Builders Team, which organizes social events for the faculty with the aim of fostering interconnectedness between home and international students.
- ♥ I've been an active volunteer for Leeds Marrow and LeedsHeartBeats at fundraising events.
- ♥ I'll be working on a cardiometabolic research project this summer here at the Uni of Leeds as part of the Laidlaw Scholarship program!!

Why vote for me?

I am confident that my skills and experience make me an ideal candidate to support Leeds Marrow in affecting meaningful change. I'm a well-versed communicator who can work collaboratively and offer critical, creative solutions to make meaningful impact. I'm organized, proactive, and always looking for ways to improve :)
