

# Nell for Secretary!

Hi! I'm Nell, and I'm a first year studying Italian and Spanish.

I've been a part of the society since the beginning of this year and have loved being a part of it. Going to the socials have been so fun, whether it was renaissance colouring or the MFL Otley run!

That's why I'd love to be your Secretary next year, to be more involved with the society and help to make sure it keeps running as smoothly as it has been this year!

Even though I've never been on a society committee before I believe I'm suited for this role: I'm good at being organised, dependable and can definitely make aesthetic Instagram posts to keep everyone updated on what's going on!

## My Aims:

- ◆ Keep the Instagram up-to-date and super cute so that all members are informed of what's going on in the society!
- ◆ Help the other committee members with admin and anything else they may need as part of their role.
- ◆ Make sure all members feel welcomed and included in the society.
- ◆ Keep developing the society so it can keep running year-after-year!
- ◆ Do all other society admin e.g. make sure LUU engage is updated.

I'd love your vote!
