

Ellena Wood

For Treasurer

About Me

- 2nd year Music and Music Psychology Student
- I started gymnastics as a complete beginner last year.
- I have always competed in sports mainly as a North West riding representative and I am loving to chance to try something new.
- Being part of gymnastics has been one of the best decisions I made coming to university

Why do I want to run?

I have been part of the gymnastics society for 2 years including online last year and I would love the opportunity to keep the society as brilliant for everyone else as it has been for me for the last two years. I have experience in creating budgets for events as well as expenses and other financial responsibilities. I have an A-Level in Maths and working with numbers is something I enjoy doing so this will be a role that exercises skills I don't often get a chance to use. In my time being in gymnastics I have attended regular Sunday sessions as well as two of this years competitions with hopes to attend the last few of the year as well. I have also attended socials where I could and had a brilliant time. This year I am going to tour and will be excited to promote tour to everyone next year. I have had the most amazing experiences with this society in the last 2 years and would love to help keep improving it from year to year. At the moment I work as a tutor often liaising with students and schools and therefore I have well developed communication skills that will allow me to liaise with LUU.

What can I bring to the committee?

- I will be present at as many sessions as I can as well as competitions and socials.
- I will work to make sure that the societies budget is used in the best way possible that allows the society to be as accessible as possible to existing and new members.
- I will budget for the appropriate subsidisation of competition fees, transport costs and accommodation where necessary.
- I will keep a close eye on funds throughout the year and change budgets to fall in line with the available funds.
- I started as a complete beginner so I hope to provide an opportunity where people like me feel even more welcome to join.
