

Alexia for Fundraising & Donations Rep! ★

Why me

- I already have experience fundraising for charities:
 - I have done work with the Social Mobility Foundation,
 - I have also helped run events for Losing my Sight UK!
 - I will effectively utilise my experience to help raise money!
- I would love to create new and organise classic fundraising events!
- I've worked in Sales in Italy, so would also know how to put up a *fight* for donations from big brands! I would use my previous fundraising experience to help organise successful fundraising initiatives.
- I'd hope to collaborate with other societies to run joint events and increase engagement!

Being a volunteer has been such an unexpected and rewarding highlight of my first year, and I hope to continue to volunteer while also contributing to this wonderful society!

I would love to take on a greater role by helping support fundraising and welfare initiatives.

About me

- I am 20 years old & a first year Law student
- I am currently a member of the EDI Student Advisory Board
- I'm obsessed with photography & my digital camera I bring to every night out
- I can't help having a slice of Belgrave Pesto pizza
- I've au-paired in Italy & was a camp counsellor in America!
