Hello, I'm James Barr

VOTE JAMES BARR FOR
PUBLICITY SECRETARY

Why vote for me?

- Got experience in using design platforms such as Canva and Adobe Spark.
- Previously have taken control of my pub's social media, both Instagram and Facebook
- Famous amongst my mates for prompt replies, so I can promise that I am almost overly attentive and promotional.

IDEAS:

- Would assign different days to different types of content. For instance **Throwback Thursday** - posting Throwback shows stories and **'Rehearsal Story Takeovers'** Tuesday for instance.
- Would also promote more external theatre opportunities in Leeds. I would also try to get individuals from the Industry to provide insights to post.

A bit about me:

- International Business Undergrad
- Worked on two TG shows
- Pint? Footy? I'm there
