- The pineapple ice chokehold
- RBF
- I have never attended a Thurs 9am
- My car
- Usually cba
- Takes no photos on a night out
- Sambuca
- Warehouse smokers
- always look uninterested

## WHY ME?!?

I can confidently say that joining freestyle was possibly the BEST decision I made in my first year and I would love to be apart of the committee that runs this amazing society. I am well aware that being treasurer is a vital part of the society as organising finances allows the society to run classes and attend comps as well as many other things! I am very organised especially when it comes to finances and I can use a calculator which may come in handy ig?
