

BEN ANDERTON

FOR TREASURER

WHY VOTE FOR ME?

- I have a proven track record of meeting demands and exceeding expectations. My experience of finance and accounting sets me apart from other candidates and ensures that I am best placed for the role of treasurer.
- My prior leadership roles give me the experience required to lead the Law Society as part of the executive.
- I have marketing experience, giving me the tools to secure sponsorship for the society.
- I am organised and reliable. You can bank on me to get things done!
- Having worked in a high street firm last year, I have the knowledge to promote a diverse range of career paths.

PASSION

- I have a keen passion for volunteering and charity work. To name just a few examples, throughout 2020 I delivered food for a food bank and I have volunteered as a cricket coach for the past six years!
- I am devoted to the LawSoc! The society has been a huge part of my university experience to this point, so I would relish the opportunity to give back and ensure others have the same amazing experiences!

STRIKING THE BALANCE

- As well as the wealth of career opportunities available through the society, you can expect many more of the famous bar tabs at our socials!
- I would also be an advocate for some more relaxed socials across the year! Expect some coffee mornings and wine and cheese nights.
