

KALIF FOR HEVO 23/24

Cheeky Intro

hullo, my name is Kalif, I'm an opposite player for the 2nd team and am also running the Leeds Casual Volleyball Club. I would like to become a HEVO for the upcoming year :)

I highly enjoy teaching new players and always love meeting new people, as HEVO, I really want to make the volleyball society a place for players of all skill levels to grow and enjoy learning the sport.

Goals

Beginner/intermediate sessions

I was able to help host some GIAGs and helped with beginner/intermediate sessions alongside this year's HEVOs which taught me a lot about what beginner/intermediates enjoyed, what they didn't like and what to focus on. I will make sure that future sessions take this into account and are just as good, if not better than this year's sessions.

Emphasis on more socials and court-time

One thing that I want to improve on is a focus on more socials that include beginner/intermediates and more casual games / playtime. I want to make sure that all players get more time on the court so they are able to practice more :)

Experience

Casual Volleyball (Cult) Club

The founder (what a flex) of the casual volleyball club. Hosted many many sessions, tournaments and gained invaluable experience with leading sessions / teaching new/intermediate players.

Volleyball 2nd Team (22/23)

Received PTSD from Jake's coaching, gained competitive experience in/out of BUCS and gained lots of experience playing in a proper team :)
