

# Jess Brodigan

## For Art Society Event Secretary 2023/24

Hello! I'm Jess, I am in my second year of Art and Design and am passionate about all things creative; from painting to jewellery making to fashion designing! It would be an honour to be event secretary in this exciting committee and bring some fresh ideas to the team!

I aim to make every event as exciting, fun and accessible for everyone as possible. I aim for the events to be something to really look forward to, away from all of the stresses of daily life (I know I need it!) and bring everyone together in a happy, safe and bright atmosphere, all in the name of art!

Vote for me for a funky, groovy, creative year of fun, art stuff!
