

JOE FOR SOCIAL SEC

WHO AM I?

I am Joe Shackleton and I am a first year student studying biochemistry.

I did acrobatic gymnastics for 12 years and sadly stopped in sixthform. I joined gymnastics society in september and fell back in love with the sport thanks to the welcoming atmosphere from everybody.

WHAT I WANT TO ACHIEVE IN 2026/7

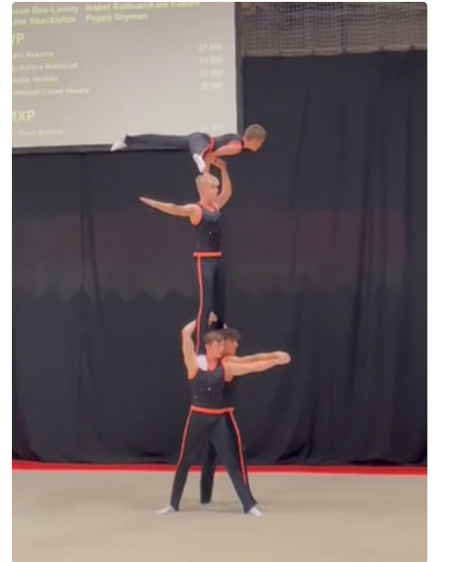

- More collaborations with other societies
- Ensure gymnastics continues to feel like a family and not just a sports club
- Inclusive for everyone including non-drinkers
- Host high energy themed socials each week whilst maintaining a balance between sober ones
- New themes for nights out and new sober social destinations
- Host an incredible yet affordable tour for 2027
- Confirm a profitable contract with carousel or explore new replacements for revolution
- Ensure everyone in gymnastics feels comfortable voicing their opinions to receive feedback and continually improve socials throughout the year
- Ensure all socials are announced far in advance to give time to buy / create costumes
- New challenges at wednesday night socials
