Why me?

-I come to all trainings and classrooms and the majority of socials so I am greatly connected with the whole team

-I'm not a prick (even to freshers)

-I have been here for two full seasons and so I am well known within the team

-I do a healthcare degree (if you believe any degree bollocks)

-I'll make sure everyone is ready for a deep playoff run next season (!)

-I love the gryphons and will take pride in ensuring everyone enjoys their time at socials, training and games
