ABOUT JEN BROWN:

- Will be a Final Year Geography Student.
- An absolute fiend for Monday Night Run.
- Have been on a placement this year working for Škoda UK as a Supply Analyst. I have become a firm friend of excel, teamwork and organisation.
- So dedicated to the Isle of Man 2024, I missed my flight home. I'd do the same for all our events.
- Proud slow pint racer (26.5 seconds (inclusive))!

Will be a regular attendee of training and socials, so always will be there to help out and be a part of things ☺

Club has given me so much & where I have made some of my best friends. I want to give back!!
