Bigger Experiences & Stronger Connections

I want to **expand Dentsoc** beyond the dental school and create more **opportunities to get involved**. I will do this by:

- Increasing **collaboration with other universities**
- Organising bigger and **better off-campus trips**
- Running **regular sports and social events** for all **ability levels**
- Gathering **student feedback** through polls and suggestions to shape events

A Society for Everyone

I want to make sure Dentsoc offers **something for everyone**, with a **range of events** that are accessible, inclusive, and enjoyable for all. I will do this by:

- Organising **more daytime and commuter-friendly events**, including lunchtime socials
- Introducing **more relaxed, non-drinking events** (e.g. sip & paint, decorating, creative socials)
- Planning **events that fit between clinics and lectures**
- Making sure our **biggest events** (e.g. Enigma, BOP, Dental Ball) are **bigger and better** this year
- Creating a **welcoming environment** where everyone feels comfortable getting involved

More Value for Dental Students

I want Dentsoc to add **real value** to your experience at dental school, both socially and academically. I will do this by:

- Bringing in **more educational talks** from inspiring clinicians
- Organising **more hands-on sessions and practical workshops**
- **Increasing sponsorship and trade fair involvement**
- Providing **more freebies, merchandise, and opportunities for members**

P.S. My cat will scratch you if you dont vote for me
