SAJIDA ISLAM

for secretary!

Skills & Experience

- Successful Mentee in WILs Mentoring Scheme
- Active member: Law Society, French Society, MUN + more
- Founder & President of School Law Society
- Charity Fundraiser Organiser for Hospice (£350+ raised)

Aims

Broadening opportunities through new partnerships and alumni

I'd support building partnerships and sponsors with a wider range of organisations, while also helping develop alumni connections so all members can benefit from their experience

Practical employability support

I'd work with the committee to help deliver workshops focused on real, useful skills such as CV checks with careers support, LinkedIn, and navigating applications

Clearer and more consistent communication

I would introduce more structured updates (e.g. shared meeting summaries or a WILs calendar) so committee members stay aligned and all members are consistently informed about opportunities and events.

About me ✨

Hi! I'm Sajida and I'd love to be your next WILs Secretary for 2026/27!

I'm a 1st year LLB Law student originally from Chester, with a strong interest in pursuing a career in law as a barrister/solicitor.

I've really enjoyed being part of the WILs Mentoring Scheme this year and have loved being part of a supportive community where women can grow in confidence and ambition!

Outside of my studies, I play for LUU Women's Lacrosse and enjoy baking, travelling and pilates.

I would love to contribute to WILs as a dedicated and organised Secretary, helping everything run smoothly behind the scenes.
