

Rowan for Secretary

About me

My name is Rowan Vegad and I am a first year BSc Accounting and Finance student. 3 random things about me are that I'm half English half Indian, I love Formula 1 racing & I'm terrified of spiders.

Why me?

I really enjoy being part of the Dodgeball Society, I'm a regular at Saturday sessions and play in tournaments. I am keen to contribute and ensure the society has a bright future.

As an Accounting and Finance student I am used to problem solving on a regular basis.

I'm always up for trying out new experiences and responsibilities.

I enjoy working with and learning from peers and putting forward ideas, some of which are below.

Aims for 2022/23

Produce and hold a collection of minutes taken from meetings.

Communicate with the student union to solve issues.

Discuss with the committee and university sports centres to potentially arrange an additional session each week.

Work with other committee members to create a Leeds University Dodgeball kit for those participating in tournaments.
