### **Why I want to be event sec?**

Cross-Country has been the highlight of my first year and one of the best bits has been the races. I want to give back to the society and I believe events sec I would be perfect for. Also, my degree is chill so I can focus all my time on bringing organised races for the whole society.

### **Why I want to be event sec?**

As a fresher I have enjoyed going to all events but mostly Leeds Relay and Christie Cup. I enjoy well-run doss events and will do everything in my power to make sure things are organised and planned out well.

## **What would we bring to committee?**

We both are organised, proactive and will work well as a team (with the other event sec) to make sure events run without a hitch and are enjoyable for everyone. We bring a friendly face and are approachable for any queries about events. Most importantly, we are both passionate about Doss and will be committed to make sure every event is a success, competitively and socially!
