## SOCIAL IDEAS

1.

Wednesday Mischief Nights - a personal fave!!!

2.

Wholesome sober socials

3.

Mystery night out ;)

4.

And ofc ...Otley Run!

My friend Christian and I met through English society in freshers week and have been friends ever since the first English Otley Run! We believe we would thrive in the role together (plz vote for him too!) and would be able to create a fun and welcoming environment for the freshers as well as new and returning members. We have big plans for the society and have discussed many exciting ideas for socials!

We are excited to plan a range of both drinking and sober socials so there will be something for everyone! We plan to start the year off with the classic ... Otley Run and are already excited to plan the end of year English ball <3
