For Social Secretary!

(She/ Her)

## ABOUT ME

Hi, I'm Katie. I'm in my first year studying English Literature and Creative Writing! I love all things books, especially romantasy or anything dark academia. For over 4 years I've ran the admin for Dottie's Pet Care, our family business (Dottie below). Here I've had to be very organised and good at planning. I love a good night out (indie thursday and belgrave included) but would love to run sober socials too. I want to help the society feel as approachable as possible, running socials where people have the chance to mingle as well as boogie or nerd out on their favourite books!

## SOCIAL IDEAS

- book club
- craft nights
- bookish movie nights
- book swaps
- fridge to fridge
- pub runs
- bookish quizzes
- boogie nights (indie, fruity, boogs)

## SOME BOOK RECS

- All 3 SJM series! These series' turned me into the reader I am now. I wouldn't be on a creative writing degree if I hadn't found these books.
- The Secret History. Not an original rec but I can't go a day without thinking about this masterpiece.
- Dead Poets Society. Fell in love with the movie, stayed for the book and it didn't disappoint. Such a comfort read!
