

Treasurer

Hi, I'm Sayuri but some of you may know me as Sally!

Japanese soc is such a welcoming society and I'd love for the chance to be your treasurer for the next year. I study business management and have also experienced doing bookkeeping for my school's charity team, so I will be very organised for all the treasure accounting.

My favourite thing about Japan is the Gon festival 祇園祭り that takes place every summer because it shows off Japan's culture in such a fun way. I love music and dancing, and I do lots of performing arts😊

I look forward to meeting more of you and new members of Japanese soc! よろしくお願ひします!
