

# VOTE AKNA FOR PEER SUPPORT COORDINATOR

## MIND MATTERS SOC

ig : @aknaa7

### Who am I ?

- I'm Akna , an international student from Oman
- I am currently a second year law student

### My Aims :

- Weekly drop - in sessions
- Working in collaboration with the rest of the committee to organise many fun activities that allows all of us to connect
- Most importantly provide a safe environment for all.

## Why Vote for me ?

- As student rep during my foundation year , I was tasked with representing the students on my course and to voice their concerns and issues. I was their first port of call with regards to any complaint or recommendation for the Study Centre.
- Regularly conducted drop in sessions with students during my time as student rep. The purpose of such sessions were to enable students to voice their concerns.
- Hosted and organised frequent meetings with other student representatives. Encouraged and promoted discussions among other student reps to come up with better ways to support the students.
- I am also the editor for Legal Loop , podcast run by the uni of leeds laws. As editor , I help organise the content and structure of the podcast episodes I do this while studying throughout my 1st and 2nd year , due to my good time management skills and good organisation skills.
