

DANICA BOWLES FOR EVENTS SECRETARY

Hi! I'm Danica, and I'm hoping to be your next Events Secretary. I'm currently a first year History student from Nottingham. I was born in the UK, and I am only half Pinay, but FilSoc has allowed me to be more involved in my Filipino culture and experience it more with others. I may not be able to speak Tagalog, (but I am working it!), but I can bring out some Spanish if needed 😊. If elected as Events Secretary, I would love to be a voice for the community in the committee and broaden our experiences as a society!

My aims:

As your Events Secretary I hope to:

- Hold more socials, in and outside Room 6 of the LUU (for example Boodle Fights and maybe even trying tinikling!)
- Hold more collaborative events with the other asian societies of Leeds University, to explore the different cultures in our local community
- Collaborate with other Filipino societies outside Leeds
- Hold socials which are low-cost and can cater to all types of people (whether you're introverted, a non-drinker etc)
- Be someone you can easily talk to about any events you wish to be held, and I will try and get that sorted
- Keep you updated on any changes in schedule for events and such

Experience:

Sixth form committee:

- Helped to organise the events held in the sixth form community, like fancy dress events
- Recorded and helped to keep the committee organised in the meetings

Prom committee:

- Helped to organise the details of our Year 11 Prom

Organised leavers hoodies in Secondary School:

- I had to communicate with the company, with follow-ups on design from my fellow students and keep the student body updated on the progress of the hoodies

Skills:

- Confident: Easily able to communicate opinions and ideas
- Team work: experience in working in a team and sharing knowledge and opinions
- Self-Disciplined and organised
