Name: Maisie

Age: 19

Course: First year Economics

Plank of choice: Skis

Drink of choice: Red pint

Commitment: embarrassingly

inconsistent during semester one due to various reasons (permanent fresher hangover and flu), but haven't missed a single social, CAS or full fat in sem 2, am about to show off my incredible support at Kings 26/04 & went large in L2A

**Proposed by:

Bit about me:

If you look up, you'll probably see me on a table at apres & if you look down, most likely the club floor. Proposed and seconded myself as Leeds' biggest life of the party but 'liability' is the word I think most of my friends would use- I can find any excuse to go out, no matter the time or day. Skiing has been a big part of my life since I was 5 and has become an even bigger one through LS where I've met some of my best friends and made some crazy (most I have patchy recollection of) memories. I hope to continue to do this next year,

except within the committee, where I can share my social experience with the rest of the society!!!!!!

My ideas

Strengths

- drinking
- dirty rep
- blue runs
- full fat donuts

Weaknesses

- drinking
- fresher
- all the gear, no idea
- blonde
- making it to the club

- **Guaranteed mischief codes for snowriders (not changing Thursdays but the option to go will be there)**
 - More sports society themed socials e.g: fridge to fridge, wedding socials, dress as your type, etc.
 - House parties (I volunteer as tribute)
 - Work with the club captain to promote huge spectator parties at Kings and BUCs
 - Work with holiday to put on some crazy trip events- Bristol flew out 4am kru to play at L2A (this could be us)
 - Discounted drinks at a variety of pubs and bars across Leeds as well as club & events tickets
 - Joint socials with other societies (although they don't compare with Leeds' elite, athletic, sporting society)
 - Develop the CAS thursday → full fat into a whole society social rather than mainly just those who went to freestyle that week
 - Promoting and giving opportunities to DJs at Leeds- especially our own members e.g: Pritch & RubyRuby
- MOST IMPORTANTLY:** giving the people what they want! At the start of September asking what everybody wants to do through polls on stories/posts and accommodate to them !!!
