

VOTE LOLA FOR PRESIDENT

ABOUT ME

I am a 2nd year LLB Law student from the North West and aspiring corporate solicitor! I love to travel and experience different cultures – I spent last summer working at a childrens summer camp in America! I also love shopping, watching Greys Anatomy on repeat, walking with my dogs, and strawberry matcha (shoutout Caffè Nero). Alongside committee positions, I am a member of GTT and the Pilates Society!

EXPERIENCE

- Media Subcommittee (2024/2025)
- Media Secretary (2025/2026)
- Welfare Secretary of STAR (2025/2026)
- FSS EDI Student Advisory Board Member (2025/2026)
- ESG Legal Intern at an in-house IT Company (4 months)

From attending networking events to photographing socials and competing in LawSoc's Negotiating Competition, I have immersed myself in everything LawSoc has to offer. LawSoc has been a huge part of my Leeds experience and something I am genuinely passionate about. After serving on the subcommittee in my first year and the committee in my second year, I hope to have the opportunity to serve as your President in my final year.

MY AIMS

- Maintain strong relationships with sponsors and continue the professionalism established by the current Executive Committee.
- Introduce a LawSoc mentoring scheme, pairing first years with second and third year students to support their transition into university and LawSoc.
- Expand LawSoc WhatsApp Channels to improve communication, share updates, and gather regular member feedback through polls and forms.
- Launch "LawSoc Circles" during Freshers' Week, grouping new members with others who share similar backgrounds or interests to make socials and events less daunting.
- Increase collaborations with other societies (e.g. Business Society and Consulting Society) for commercial awareness events, alongside volunteering opportunities with STAR.
- Work with the Merch Secretary to introduce a LawSoc fleece available for members to purchase – similar to the sports society fleeces – as a keepsake!
- Create a central LawSoc calendar so members can easily see upcoming events and opportunities in one place.
