MY AIMS for this role

- TO BE A POINT OF CONTACT FOR ANY OF YOUR WORRIES
- FOR YOU TO FEEL COMFORTABLE COMING TO TALK TO ME
- A SOURCE FOR ADVICE AND RESOURCES

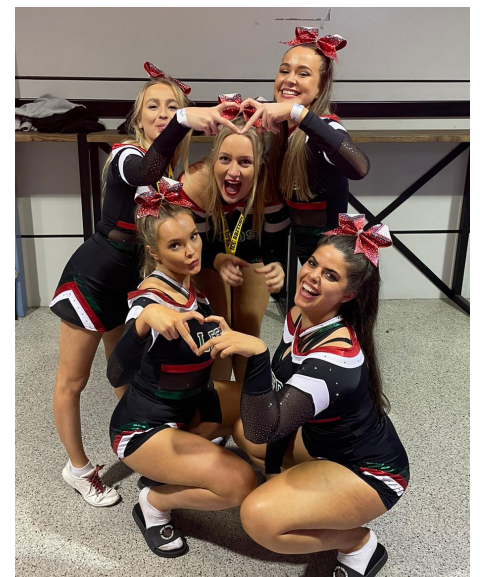

WHY ME?

- **Experienced lack of support or resources from Uni-** I went from dropping out in first year due to mental health problems to being a part of a Uni sports team where I met most of my best friends. **I know it can be tough not knowing who to go to....**
- I'm **friendly and approachable** and a great listener if you just want someone to make you feel heard. I'm happy to sit and listen to any issue you might have (cheer or not)
- I want everyone to **share the amazing experience** I had on my first year at Celtics

*I'll see you
at speeches
for more ! ;)*
