

# VOTE JARISSE

for Secretary!

Namaste! I'm Jarisse, a second year student studying Business Management with Marketing at University of Leeds, currently the marketing and social media sec for yoga soc!

Whilst supporting this year's committee, I have really enjoyed building our community and managing the society's social content and communications. I would love to have the opportunity to build this further, helping shape the future of yoga soc!

## ABOUT ME!

Second year Business Management with Marketing Student

My fav yoga styles are slow flow and vinyasa!

Currently yoga soc's social media sec!

## WHAT I WILL BRING TO YOGA SOC

- Collaborate closely with the President to ensure the society runs smoothly throughout the year
- Maintain strong organisation when managing room bookings for classes and socials
- Keep communication clear and consistent to engage and inform members
- Foster an inclusive and diverse community
