

VOTE SOPHIA FOR

SOCIAL SEC

I'm a classics student going into my third year. I have loved being part of the classics society during my time in Leeds and I would love the chance to be involved in the committee. I love organising events and am so excited to try and experiment with new and creative things to do together as a society. Some of my best nights out on Leeds have been with people I've met through the classics and I can't wait to meet more of you and organise fun nights out, as well as chill nights in. I've had lots of ideas for different ways we can come together as a society and be sure to have a great time. I hope you will consider me for social sec next year!

My Plans

- A classics ball
- A trip to Athens
- And trips closer to home
- Roman Dinner Party and Symposia
- Collaborate with other societies to branch out to more possibilities for events and socials
- Greek vase pottery painting
- And of course, the Otley Run
