

# VOTE MEG FOR SOCIAL SEC !!!

**Hi, I'm Meg and I am running for social secretary of Polissoc :)**

**I joined Polissoc at the start of first year and have loved taking part in all the socials so far. My favourite ones have been the secret social and the trip to Berlin!!**

## Why vote for me?

- **I love organising social events**
- **I would work closely with the wellbeing secretary to ensure that socials are as inclusive as possible**
- **I would be willing to take on board any ideas for new socials**
- **I am super outgoing and want to continue the fun of Polissoc**

## My social ideas:

- **Paint and Sip pottery**
- **Politics themed Otley run**
- **Nights out with group pre drinks**
- **Another secret social !!!**
- **Mixed socials with other LUU societies**

**I also value the importance of sober socials within Polissoc and have many ideas lined up such as escape rooms, bowling and fun exercise classes run by the university.**
