Identify Hazards	Estimate the risk				Evaluate the risk				Evaluate residual risk
Hazard	How may harm result?	Likelihood	Severity	Rating	Risk control measures	Likelihood	Severity	Rating	Further action required? <i>Only fill out if additional control measures are needed to be implemented or reviewed</i> Include timescales and who is responsible for implementation
Overcrowding	Accidents may be caused, exits may be blocked.	2	3	6	The venue used has a 200 capacity, with 144 memberships in 24/25, and only half of these members attended weekly. Regardless, attendance will be monitored especially at GIAG events with the manager of the establishment notifying us of reaching capacity.	1	2	2	
Unsafe behaviour	Being irresponsible around darts or throwing in an inappropriate manner may lead to injury or distress.	2	3	6	Those acting irresponsibly with darts will be asked to stop playing.	1	3	3	

Food allergies	Food consumed at socials may lead to allergic reactions.	2	4	8	Any known allergies should be reported to the manager of the venue and the president and should enquire before eating the food present.	1	4	4	
Offensive language and aggressive behaviour at socials.	Members may take offence at chanting or become physical, particularly around alcohol.	3	3	9	Remind members of their responsibility to act in an appropriate manner, and inform them that any inappropriate social behaviour would result in their removal from the venue, or if severe, the society. Continued behaviour will result in a ban from future socials.	2	2	4	
Slipping/tripping/falling	Members may trip over bags on the floor or slip on spilled drinks. They may also trip off the stage as it is elevated.	2	2	4	Bags will be kept out of walkways in designated areas and spills will be cleaned immediately. Members will be notified to be aware of the height of the stage when playing on it.	1	2	2	

Injury from equipment	Impact from darts may injure attendees if they are in the	2	4	8	Members will be informed of how to throw in the initial session. They will also be told to stay behind the oche when matches are being played.	1	4	4	
	flight path.								
Alcohol overconsumption	Increased likelihood of unsafe behaviour, conflict and antisocial behaviour. Difficulty returning home safely due to impaired judgement. Risk of alcohol poisoning.	4	3	12	Communicate a clear expectation of responsible drinking before events and socials. Encourage members to pace themselves by drinking water and eating during the event. Encourage members not to travel alone. Ensure any incidents are recorded and acted upon appropriately. Individuals involved in unsafe or antisocial behaviour will be immediately warned and if necessary removed from the social and banned from future ones.	4	2	8	

Fire	Smoking in areas not designated or improper handling of electrical equipment could lead to a fire. Could result in burns, inhalation of smoke, or fatalities. Could be injuries when people attempt to evacuate.	2	5	10	<p>Ensure the venue complies with fire safety regulations and has functioning fire alarms and extinguishers.</p> <p>Identify evacuation exits to attendees.</p> <p>Restrict smoking to designated outdoor areas.</p> <p>Ensure fire exits don't get blocked.</p> <p>Conduct a roll call once people have been evacuated to ensure everyone is accounted for.</p>	1	4	4
