

vote for **SADHANA** for social media officer!

(me!)

Hello everyone, my name is Sadhana Sreeram and I am running for Social Media Officer! I am currently a first year Law with French Law and have loved being part of HerCampus!

I would like to be a Social Media Officer as I am interested in using my interest in design and marketing to promote HerCampus. I love content creation and am passionate to promote women in media, so why not combine the two! I am also experienced for the role, as I have created content for HerCampus in the past. I also regularly use social media platforms like Instagram and TikTok to promote my small business! If you have any questions, feel free to DM me!
