

ANNA FOR PRESIDENT

Hej! I'm Anna, a first year Geology student from Denmark. Coming to uni and meeting other Scandinavians has felt like finding a home away from home. I've loved celebrating Lucia and going for Fika in first year and want to give back to Nordic Soc as I go into 2nd year!

As your president I will:

- Build a warm, welcoming Nordic community
- Plan a full calendar of cultural events and socials
- Lead a supportive, well-organised committee
- Manage SU admin, risk assessments, and the constitution
- Bring a clear vision focused on hygge, inclusivity, and culture

NORDIC SOC SOCIAL

My experience

- Strong connection to Danish/Nordic traditions (Fastelavn, Sankte Hans, Lucia)
- House Captain: event planning, coordination, delegation
- IB: strong organisation and time-management
- Volunteering: teamwork and communication skills

I am passionate about all things Nordic and want to bring as much Hygge to Leeds as possible. My vision for the societies future is to host more Scandinavian cultural activities, such as playing Kubb in the park, baking cinnamon rolls, and Nordic movie nights with Fredags slik (Pick and mix). I want to continue the work of this years committee in building a warm welcoming community.
