

Treasurer

About me

- My name is Becky, and I am a first year looking for a way to be more involved at uni and participate in more things, rather than just my course.
- I love socialising and I enjoy meeting new people and getting involved.
- My love for fashion started when I was young and took a great interest in making my own clothes and tailoring outfits to fit me better.
- I currently have two different jobs as I like trying new things and challenging myself, which is why I am applying for treasurer as it will expand my knowledge and experience while also making friends who share similar interests.
- I am a dedicated person and like to get things done efficiently making me an organised person.
- Being a part of a society is a fun way to meet new people that you otherwise may not have met, and it allows you to learn new things that have nothing to do with your course. I like this aspect as my course focuses largely on reading, so it is a fun escape!

Why I am a good candidate

- I am hardworking and put my heart into everything I do.
- I am responsible as I am funding myself whilst at uni, so recognise the importance of keeping activities within the society budget friendly so that it is inclusive to everyone.
- I like to take responsibility but also enjoy working within a group.
- Working as a group appeals to me as it creates a close-knit society of friends who just want to enjoy themselves and escape the stress of uni or work.

Future ideas

- I would love the society to meet up more regularly to give people the option to be in a group and have plans when they may not have anything else to do.
- Ensuring activities, we do are ethical as a key message we should promote is being sustainable.
- Keeping everything on an affordable budget as some people will then be excluded as they cannot afford to come – ideas of cheaper activities could be movie nights with snacks and drinks, fancy dress/themed parties, 'how to classes' ...
- Contacting student nights to ask if we could get a promo code for cheaper tickets or queue jump so everyone can go out together
- Mocktails night for people that don't drink

I would love to be a part of the fashion society, thank you for reading! <3
