About Me

Hi, I'm Eni. I'm a first year and have been an active member of Compsoc for the past year. I have really enjoyed the range of activities and socials that were available this year, and would like to continue this standard, ensuring there is something for everyone. In addition, I love planning, and I'm ashamed to admit, the calendar is one of the most used apps on my phone. I would like to also give the opportunity for the Compsoc community to get involved, like having a vote for socials. I think this will allow us to ensure everyone is enjoying their time in Compsoc to the fullest.
