

LILY SMITH

FOR NON-LAW SECRETARY

A LITTLE BIT ABOUT ME...

- I'm a first-year BA History student
- Participated in the internal debating competition, reaching the semi-finals, as well as the Law v LWOB debate
- Currently involved in the mooting competition
- I am from Coventry
- I play in defence for the law netball team

EXPERIENCE

- HEAD OF LAW SOCIETY IN SIXTH FORM:
Organised external speaker events and shared my personal experience with peers and created a space for them to do the same. I will draw on this experience to support non-law students and **build a community**.
- STUDENT AMBASSADOR ON CENTRAL EVENTS TEAM:
Selected after an interview, a recognition of my **communication skills, approachability and solution-oriented mindset**, skills I will bring to the role.
- SQUIRE PATTON BOGGS OPEN DAY ATTENDEE:
Submitted a successful written application, gaining experience on how to **approach unfamiliar application questions** and navigating legal careers from a non-law background.

AIMS

- Build a **stronger non-law community** by sharing specific pathways into law and highlighting opportunities on offer to undergraduates.
- Collaborate with the Careers Secretary and Bar Division to **ensure events include non-law specific tips**, thus making these opportunities more directly applicable - this includes **greater clarity on Instagram posts** to boost accessibility.
- Maintaining and expanding specific events catered towards students that are **undecided on a future in law** - **increasing non-law participation** to better reflect the industry's near 50/50 split.
