FOR 4TH YEAR REP!

As your rep I will...

- Act as a **friendly face** for you to raise your feedback and concerns.
- Ensure this feedback is promptly **addressed** and appropriately acted on.
- Act as a link between the staff and you to **keep you updated** with any news and messages from the medical school.
- Help to **build a community** among our 4th year cohort where we can all support one another.

Thank you for reading my nomination. I hope I have your vote!
