

# LILY HALL

FOR PRESIDENT OF LUUNATSCI

2026-27

## ABOUT ME:

As a second year Natural Sciences student and long-standing member of the NatSci society, I'm passionate about building a community that matters to you. Studying a degree with so much variety can sometimes leave you feeling isolated, so my goal is to maintain and build upon the inclusive NatSci society we all know and love! As President, here are a few ways I'd like to make your society work for you and your future.

**CONTACT ME** - I'd love to hear your ideas and questions!

Email- [pdzf8654@leeds.ac.uk](mailto:pdzf8654@leeds.ac.uk)

## MY EXPERIENCE:

### PAL Mentor

Worked with first year students to offer support in navigating the transition onto the course and university life

### Charity coordinator

Coordinated charity initiatives and collaborated with students across the school to plan and deliver fundraising events

### 2 years experience in

### hospitality

Confident working in a team as well as listening and responding to others' ideas

## MY IDEAS AND AIMS:

Organise events targeted at the development of academic and career skills (**placement applications, interview skills** etc.)

**Build links with NatSci alumni** who can offer advice for second and third years looking to apply for placements and internships

Work with other societies to **enhance community between subjects** (FOBSoc, ChemSoc etc.)
