Why I want to be General Sec

Cross country has been the best bit of my first year and would love to be on the committee. I'm committed to the club with both training especially Monday night run and the socials.

Why vote for me ?

- Mischief addict and will continue this into second year
- Chunder mile on IOM completed
- The days of being late to Manchester relays are long behind me
- My degree is chill so can commit even more to the club
- Going to commit even more to training sessions next year as well
