

POPPY FOR MATCH SEC

Being on Lions Green this year has been one of the best parts of first year for me. I've had a great time, met the best people, and learned so much in less than a year. Cheer matches were definitely a highlight—I enjoyed showcasing what we've learned and getting to perform (and slay) as a team. Which is why I want to go for match sec! I would love to get involved with organizing matches myself. I also want to help with attendance and coverage, ensuring every stunt group gets the most out of the year!

STRENGTHS: WEAKNESSES:

- Laugh after I get dropped
- Won best dressed (once).
- Only missed one training?
- Didn't make it to Fruity's on varsity...
- Always do the splits when drunk.
- Can't do a barrel roll.

MY IDEAS:

- ☆ Working with coaches to find extra optional time for people to work on gymnastics skills which they would like to work on.
- ☆ More Lion Red/ Lion Green joint matches to encourage both teams to support each other at matches.
- ☆ Continue with Lily's current absence policy but introduce a cover list, so if somebody covers you then you owe them cover if they also need it in the future.
- ☆ More matches on campus to make it easier to travel to, especially for the girlies with Wednesday lectures.
- ☆ Continue to support and cheer at Women's sports teams (best vibes).
- ☆ Cheering at a greater variety of matches and sports.
- ☆ Would love to work with match social sec to create some sober social events/activities for greens and reds to integrate and get to know each other better.
