

Vote Freddie For President

About me:

Name: Freddie Taylor

Age: 21

Year: 2nd

Course: Financial Mathematics

Current position: Treasurer

Way down the mountain: Skis (the best way)

Proposed by: Emily Mankel (Pres)

Seconded by: Ellie Pugh (Vice Pres)

Events I've been too:

- Every freestyle and race (big jumps still scare me)

- Alpe D'Huez

- Tignes

- Every Social

- Boys nights- darts champion (got carried by my team)

- Kings x4 and competed in 2

- BUISSC competed in racing solo and duals

- Every snowriders event this year basically

Special skills:

- Injuring myself on nights out (example AJAM)

- Going missing on nights out

- Spending money on beer (especially as treasurer)

- Always have a communal water pack on trip

- Happy to take sponsor pics see below

Why I want this:

Firstly, I love skiing. Secondly, snowriders has been a huge part of my university experience so far so I want to give back to the club that has given me so much. I would like to keep the friendly welcoming environment that the club has and ensure as many people get involved as possible in every aspect of the club.

Why me?

-Having spent this year on committee I understand what it takes to be on committee, and I am confident that my experience will help me to ensure the club remains as amazing as ever.

- I would make sure the club is as welcoming as possible by ensuring there is a friendly atmosphere for new people to the club and make sure there are frequent lessons for beginners and intermediates of skiing and snowboarding (the dark side).
- I believe the charity work that the club does via food donations is an important way to give back to the local community and would keep this up as well as doing more charity work, for example setting up a movember event for the boys.

My aims as President :

-Competitions: Leeds snowriders has some very talented members and I believe they should be allowed to showcase their talent as much as possible so I would give them every opportunity to compete at many events such as kings, AJAM, and many more.

-Media: I would have the snowriders set up a tiktok and having short videos and shreddits made so everyone can see how fun the club is. I would also make sure media comes out in a timely manner and is of a high quality so everyone can see just how good of a club we are.

-Holidays: I would work closely with the travel company and holiday sec to create a smooth running of holidays and ensure all trippers get the best trip possible.

-Socials: Socials are a great way for people to meet other members of the club so I would work to make sure the socials are well promoted and that there is a variety to ensure that it is inclusive for everyone such as pub golf and other smaller ones as well as the big club nights.
