

# **VOTE MINNIE!**

# **FOR TREASURER**

## **About Me**

Hey, I'm Minnie, and I would love to be Treasurer for the German society next year. The Society has been such a massive part of my Uni experience at Leeds for three years, and I'd love to build on previous committees' excellent work. I love going to socials and, of course my go-to drink is a Stein of Beer!  
Feel free to message me if you have any questions!

## **Why Vote for Me?**

- Financially responsible but also wanting to create a fun social environment for members
- Excited to work with other committee members for a common goal
- Keen to enable trips for the upcoming year, applying for additional grants to set up a travel fund
- Listening to members about what they want from the Society, and amending the budget to accommodate suggestions
