

ANNA FOR SOCIAL MEDIA SECRETARY

I'm Anna, a current first year Geology student. Moving to Leeds from Rome this year and joining Italian society this year has felt like finding a little piece of home at uni. I've loved coming to socials, and would love to help on the committee next year!

AS YOUR SOCIAL MEDIA SECRETARY I WILL:

- Run the society social media accounts
- communicate upcoming events
- respond to comments and DMs
- collaborate with the committee

MFL Ball 2026

MY EXPERIENCE:

- Taking International Baccalaureate at sixth form taught me strong time management and organisational skills.
- My experience as House Captain in sixth form gave me experience in event planning and coordination.
- Volunteering at a soup kitchen in Rome developed my teamwork and communication skills.

WHY VOTE ANNA:

I grew up in Rome, so Italian culture is part of who I am - and I'll bring that energy and enthusiasm to the committee.
