

VOTE Tilly Hill

Treasurer 26/27

Why you should vote for me:

- I'll make sure we have a clear, well-managed budget so we can afford legendary socials and events
- I'm confident with numbers, so I'll keep track of revenue, spending, and subs properly by developing a yearly budget and cash-flow model
- I'll help organise fundraising that people genuinely want to be involved in, so we can raise more money for the society with the help of the netball team and external organisations
- I'm organised and reliable, meaning finances, payments, and deadlines will always be handled smoothly
- I'll make sure we use our budget wisely – whether that's for socials, society events, kit or other priorities
- I will work closely with the executive committee to plan and budget big events (eg. The Ball)

I LOVE
LUBS

About Me

First-year International Business and Finance student, with a strong understanding of budgeting, financial management, and decision-making

Active member of the LUBS netball team, so I'm already involved, committed, and understand what the team needs

Gained real-world experience working at a finance firm in London, building practical skills in handling and managing money

Previously responsible for managing finances in my boarding house at school, showing trust, organisation, and reliability
