

# MEDIA SECRETARY

Hi! I'm Maddy and I am applying for the role of Media Secretary!

## EXPERIENCE-

- Currently run the social media account for my job back home- uploading on multiple platforms weekly with a variety of content!
- Ran the social media account of my old football team
- Taken modules in advertisement

## WHY SHOULD YOU VOTE FOR ME?

**Will be punctual with posts and uploads-** will work with social sec to try to advertise well in advance for Wednesday socials and class schedules uploaded every Sunday

I am very **creative** and **passionate** so would definitely put a bright and eye-catching spin on the yoga soc's media, alongside helping create really cute merchandise!

**Friendly!** so working with other committee members and general members of the society will be a breeze!

**No judgement!** no question is a silly question- all enquiries will be answered as soon as possible and with no judgement!

**Confident** and **outgoing**, so raising awareness for the society will be no issue! (I'm not afraid to be loud haha!)

**Understand the benefits of yoga-** Even though I only joined the society last year, I have been doing yoga for years and truly know and appreciate its benefits!
