

Hi, I'm Phoebe Williams, I'm a first year student studying French and Italian and I'd love to be your social sec for 2024/25!

I'm applying to be your Social Sec because I'd love to play a bigger part in this incredible society. I've had so much fun at the socials and I'd love to continue all the amazing work that Hannah has done this year!

As your Social Secretary I would:

- ◇ Continue to create a fun and inclusive environment for new and returning members.
- ◇ Organise a wide range of Italian-themed social events such as the Otley Run, film nights, and cheese and wine socials.
- ◇ Collaborate with other languages societies for bigger socials and help to organise an incredible MFL ball.
- ◇ Continue the 20% discount with the amazing Headingley Rudy's.
- ◇ Keep growing the society so we can run every year!

**VOTE PHOEBE
FOR SOCIAL SEC!**

My Experience:

At school, I was Deputy Head of House so I am used to working collaboratively on big social events. I've never been on a society committee before but I am organised, dependable and always ready to have a good time!

I want everyone to feel welcome in Italian Society; whether you're a degree student, a native speaker, an exchange student or someone who loves all things Italian!
