

# vote for **SADHANA** for PR Marketing Rep

Hello everyone! My name is Sadhana Sreeram and I am running for PR/Marketing Representative.

I am currently a first year Law with French Law student and have loved being a member of NHSF Leeds. Using my creative skills and my interest in graphic design, I would like to diversify and attract more members to our society! I am punctual and well-organised but more importantly I am well-experienced in the role as I promote my own small business using social media + I have created posts for other societies that I am part of!

Feel free to DM me if you have any questions!
