

Hazel for ItalSoc Treasurer!

I'm a first year student at Leeds studying Classics (and Italian through discovery modules!) and I've enjoyed being a member of ItalSoc so much this year that I'm running to be on committee as treasurer next year! :)

As treasurer I would: 

- Manage society funds responsibly and efficiently to make the most of them
- Stay organised with records of spending and budget plans
- Work closely with other committee members to plan and hold events and keep the society running well
- Listen to feedback and work hard to make sure being part of the society is enjoyable for everyone
