

Haf Edwards for Sports Sec

Hey, I'm Haf and I am passionate to connect law students through a sporting environment.

As a first year law soc netball player, I want to continue the friendly but competitive atmosphere and keep law soc active through a range of activities!

Experience-

Committed Law soc netball team member- aware of the logistics of organising league matches, training and socials which I can use across all teams.

Played netball at a competitive level most recently for North East Wales squad, county and club league from age 8- I can support the teams with my proficient knowledge of team sports.

2 years netball coaching experience for local primary school team including organising and considering costs of the annual tournament- I can utilise these budgeting skills within the role.

Vice President of Engagement for Enactus 2021/2022- a social enterprise volunteering society. Organising entrepreneurial events and managing projects for members has developed my interpersonal skills, communicating with both business professionals and society members- I can ensure law soc sports is a welcoming, inclusive environment within law soc sports.

Initiatives-

Give it a go sessions/development programme-
I am eager to expand sporting opportunities to all abilities through social, non-competitive Netball, Football, Rugby, Running sessions to welcome first timers and those wishing to get back into the game.

Introduce wider variety of sports-
Casual sessions to socialise with fellow law students whilst staying active- *Fitness/ HIIT sessions, Walking club, Dodgeball, Rounders...*

Organise charity inter-sports tournaments-
Connect law soc sport teams in a competitive way whilst also giving back to local community.

Introduce joint themed sports socials-
To broaden law soc members networking in a relaxed environment.

Organise interuniversity competitions with other law societies
