

Emily Freeman

Konnichiwa! My name is Emily and I would love to be the social secretary for Japanese Society next year. I am in first year and have a big interest in Japanese culture, language and food of course! I have really enjoyed being a part of the society this year and have found this society to be very accommodating and relaxed. I hope to do my best to continue this into next year to make it just as enjoyable for everyone else 😊.

What I hope to bring to the society

- Many fun socials in a range of locations.
- More socials in the day/not based around alcohol
- Collaborative events with a range of societies
- Activities to encourage more people to take an interest in Japan
- More opportunities for either Japanese or English to be learnt and practiced

And of course, I hope to be a friendly, approachable member of the society who is always open to meeting new people and helping anyone out 😊.
