A BIT ABOUT ME

I'm a first year English and Music student at UOL, I chose this joint degree because I want to get into music journalism. Being Head of Music would be a perfect step towards my goals. I am really passionate about the arts and creativity. I understand the importance of exploring and supporting a plethora of genres, which is reflected in my musicking as an electric guitar playing opera singer!

WHAT CAN I BRING TO THE LSR MUSIC TEAM?

- As Youth Ambassador for my local Pride Group, I have worked on organising charity events and festivals. **I can work with you to make Transmission 2027 amazing!**
- As Marketing Rep for Residence Life, I have planned and ran events alongside the Res. Life team. I also ran socials and promotions. **This girl knows how to make a photo dump!**
- I love going to festivals and volunteered as Crew at Laneway Festival in Melbourne 2025.
- I Co-host 'On The Same Page' on LSR. **I'm excited about student radio!**
